

HONDA TURN INDICATOR SWITCHOFF MODULE

HONDA-TURN-IND-SW-MOD

USER'S MANUAL

Installation

- 1) Disconnect the turn indicator and connect the module in between.
- 2) Try the proper function and enjoy the flashers without the all-the-time illumination.

Warranty

The warranty period and terms are governed by Business Terms and Conditions available at <https://www.lskelectronics.com/legal>. Limited Warranty covers any defects in material or manufacturing defects under normal use and maintenance.

We reserve the right not to accept the claim in the case of mechanical damage that could be related to the defect of the product or if the product was disassembled by unauthorized service.

This limited warranty also does not cover any problem that is caused by conditions, malfunctions or damage not resulting from defects in material or workmanship.

During warranty period, we will repair or replace defective product or defective parts. To obtain warranty service, you must first contact us to determine the problem and the most appropriate solution for you.

Contact e-mail is: info@lskelectronics.com
